Intro: | D / / / A B | C B / G /
Verse 1:
```
D                    D/G                   D
I'm gonna sing like someone who's been forgiven
D                    D/G                   D
I'm gonna worship like someone who's been set free
Bm7                      G                 D
I'm gonna praise like there ain't no chains that are holding me
Bm7                      A            D
   You paid the price and I have the victory
```

Chorus:
```
D
There is freedom
C                        G
Freedom in the name of Jesus
         D
There is Power, Power
C                    G
Power in the Jesus' blood
         D
There's salvation, salvation
       C                     G
To all who call on the name of the Lord
           D
There is Freedom, Freedom
C                    G
Freedom in his great name
```

Interlude: | D / / / A B | C B / G / G-F|

Verse 2:
```
D                      D/G              D
I'm not gonna back down knowing my God is with me
D                      D/G            D
I'm gonna pray like the mountains already moved!
Bm7                    G              D
I'm gonna shout like the devil is under my feet
Bm7                         A           D
      Cuz that same power is living inside of me
```

Bridge:
```
D                             C      G/B  G
The walls are coming down when I praise your name
       D                      C      G/B  G
The chains are shaking loose when I praise your name
       D                  C    G/B   G
The devil has to flee when I praise your name
 C      G/B  G       C    G/B  G
I praise your  name, I praise your name
```
