Intro:

Verse 1:

I'm gonna sing like someone who's been forgiven
I'm gonna worship like someone who's been set free
I'm gonna praise like there ain't no chains that are holding me
You paid the price and I have the victory

Chorus:

There is freedom
Freedom in the name of Jesus
There is Power, Power
Power in the Jesus' blood
There's salvation, salvation
To all who call on the name of the Lord
There is Freedom, Freedom
Freedom in his great name

Interlude:

Verse 2:

I'm not gonna back down knowing my God is with me
I'm gonna pray like the mountains already moved!
I'm gonna shout like the devil is under my feet
Cuz that same power is living inside of me

Bridge:

The walls are coming down when I praise your name
The chains are shaking loose when I praise your name
The devil has to flee when I praise your name
I praise your name, I praise your name
