VERSE 1

We don't want what we had
We want all that You are
We have nothing to give
But all of our hearts

We worship Your name
God, You stand alone
You love like no other
You reign on the throne

CHORUS

So We offer all to You Lord
We lift up holy hands
To the throne of God above
We raise a song to You Lord
A sacrifice of praise
Returning Your love -- To **Verse 2**

VERSE 2

Lord, We want to bring
A gift worthy of You
A song of true worship
The praise You are due

Your mercy so rich
Your love is so great
You saved us from death
When You rose from the grave

INSTRUMENTAL 1:

BRIDGE 1

As we lift our hands, we lift our hearts
As You fill us up, our fear departs

As we turn from sin, set us apart
As You move in us, revival starts

INSTRUMENTAL 2:
